General layout and rules

1. Each business receives one deck of 52 playing cards, with **each card in its own sealed envelope**.
2. Each business/deck has its own distinctive mark on the outside of each card's envelope.
3. **A business hands out exactly one card** to a rally participant showing their rally wristband.
Do not open the envelope!
4. The rally participant visits five or more businesses to collect one card from each business.
Do not open the envelopes!
5. The rally participant brings five uniquely stamped **sealed** card envelopes to Rally HQ.
6. Rally HQ will unseal the five uniquely stamped sealed envelopes to reveal the participant's five-card poker hand, which is recorded along with the date/time, their name, and wristband number. They will keep the cards and envelopes and will not show the other players' hands to the participant.
7. The best hand wins. In the case of a tie the first submitted best hand wins. If there are additional prizes available then tied hands will be awarded in order, then second place hand(s), and so on until the prizes are exhausted.

There will be two rounds each with its own deadline. The game resets after the first round (**no reusing of cards/hands**). Please complete a second hand from five new businesses not visited in the first round.

Round 1 deadline: Tuesday, June 17th, before 5:30 pm. Posted by 6:00 pm and announced at the dinner.

Round 2 deadline: Thursday, June 19th, before 5:30 pm. Posted by 6:00 pm and announced at the dinner.

In the event a business runs out of cards they can call Gary Vogt (530-520-3800) or Ian Reddy (408-218-1087) and they will ensure another deck is delivered to the business.
